

SOLID WASTE SERVICE - WASTE INDUSTRIES

Place your trash cart roadside the night before your scheduled pickup day. Waste Industries will collect bagged household garbage once a week with the provided 96 gallon trash container. If you should have a need for an additional cart please contact the city to request an increase to your service. Additional fees will apply for additional trash carts.

Please remember recycling service is available as well; Waste Industries will provide a blue 65 gal recycling cart.

Carts should always be placed at least five (5) feet away from any object. (trees, posts, mailboxes, shrubs, cars etc...) Once the cart is placed at the curb the wheels and lid hinges should be closest to your house

All household trash should be bagged and placed inside the Waste Industries cart. Listed below are the items that we **CANNOT** collect in your regularly scheduled weekly service.

- **Liquid paint** of any kind.
- **Hazardous material** – Flammables, lighting tubes, insecticides, caustic chemical
- **Batteries** – car, boat, motorcycle, etc.
- **Building material** – boards, drywall, tile, concrete, carpet/padding, etc.
- **White goods** – refrigerators, stoves, dishwashers, water heaters, etc.
- **Furniture** – couches, chairs, tables, dressers, televisions, etc.

Waste Industries provides bulk item pickup twice a month, the 2nd and 4th Wednesday. To request this service please contact the City of Grantville to have your address added to the bulk pickup scheduled. Waste Industries will not service any bulk items if it is not scheduled in advance. All bulk items are to be placed curbside five (5) feet away from any object. (trees, posts, mailboxes, shrubs, cars etc...) and not directly under power lines.
